NEW MEMBER OF THE SCIENTIFIC COUNCIL

Sylvain Charlebois

Director of the School of Management at Dalhousie University in Halifax, Canada,

Sylvain Charlebois is one of Canada's foremost experts in agribusiness policy and food security. He is the author of numerous scholarly publications in Canada and abroad. He is a native of

Quebec and holds a Ph.D. in Marketing from Sherbrooke University. His areas of expertise include agricultural policies, distribution, and food security. On two occasions, he has won the International Emerald Lit Prize (2008, 2012), one of the most prestigious awards in the research field of social sciences.

ZOOM

SKEMA Business School obtains AMBA

[SKEMA Business School](#) has just obtained its third international accreditation, which enables it to

join the very selective club of the 1% of Business Schools worldwide that possess the three accreditations [EQUIS](#), [AACSB](#) and [AMBA](#). This is a great recognition for a school that has 8000 students spread over six international campuses.

SKEMA Business School and the [Business Science Institute](#) have partnered to create a Digital DBA, which will enable practicing managers to work toward a [Doctorate in Business Administration](#) remotely.

The Business Science Institute is proud of the success of its partner!

Jean-Pierre Boissin receives the title of Chevalier in the National Order of Merit

[Jean-Pierre Boissin](#) is a member of the Scientific Council of the Business Science Institute, university professor at Grenoble IAE, Interministerial coordinator of the National Action Plan *Étudiants Pour l'Innovation, le Transfert et l'Entrepreneuriat* (PEPITE - DGESIP, DGRI, DGE, CDC since March 2010) [Students for Innovation, Transfer and Entrepreneurship], program coordinator

for PEPITE France (FNEGE - *Programme Investissement d'Avenir* [Future Investment Program], CGI) and President of the *Académie de l'Entrepreneuriat et de l'Innovation* [Academy of Entrepreneurship and Innovation]. On November 14, 2016 he received the title of Chevalier in the National Order of Merit from Thierry Mandon, Secretary of State for Higher Education and Research at the Ministry of Higher Education and Research.

AWARD

« Le Monde » Prize for research 2016: Court life in business

Sébastien Stenger, whose thesis supervisor at HEC Business School was [Françoise Chevalier](#), received the 2016 award for a social science thesis from *Le Monde*. This prize is given to three social science theses (all disciplines combined) out of two hundred, showing an innovative approach and strong societal relevance. The official announcement was published in a special edition of [Le Monde](#) on the 23rd of November, and the award ceremony, held at the headquarters of the newspaper, was attended by the Secretary of State for Higher Education and Research as well as by several personalities from the scientific world.

IS & MANAGEMENT

The [website](#) and the reference work in information system management: 35 pages read on a daily basis and 5400 connections since their publication!
